

CELEBRATE - AT THE HARBOUR

Large or small, celebrations at Harbour House Grill range from simple and cost effective – to the sky is the limit! We can transform the venue according to your preferences and budget.

A few considerations:

BAR SERVICE

- Packages are available with or without alcoholic beverages.
- Those including alcoholic beverages range from open bar, to drink tickets, or attendees paying for their own beverages.

FOOD

- BUFFET - One of our most popular requests is our buffet with a roast beef carving station. Salad bar to start, then the full hot buffet - with something for everyone! Finished with a dessert station (optional).
- SMALLER PARTIES – Option of ordering from the menu, or having us create a custom menu of food selections for the occasion.
- LIGHT NETWORKING EVENTS – Options include cheese/meat/nut boards and/or other appetizers placed at our bar area, with self-service. We can also have servers mingle throughout the event with two-bite appetizers. **These options can also be added as a prelude to a buffet or plated event.**
