

Boaters. . . .

If you use this

Marine VHF Radio

You need this!

(It's the LAW)

Take the

Government

approved VHF Radio Operator's course.

Includes the new DSC endorsement.

Sail Canada is a Federal Government approved organization in Canada that teaches this course and issues your lifetime certificate (no annual renewals required, it's good for life).

The \$85 fee includes the classroom instruction, examination by your instructor, the issuance of the certificate and the course materials.

Course materials include the Radio Talk manual and a CD on which you will find computerized home instruction, sample questions, the movie IT'S GOOD FOR LIFE, and other great training material.
